

# Skin Tight...

You Can Look  
Beautiful Tonight!!!

with  
**Fraxel 1540  
& TempSure**

For deeper skin resurfacing, Radiance Medspa offers the latest in fractional laser technology. Fraxel 1540 treats age and sun spots, lifts uneven skin pigmentation, smoothes texture, and treats acne scarring with minimal downtime.

TempSure works by stimulating your body's natural renewal of collagen. It tones and tightens the skin on your face and body.

Together, our FraxSure treatment works to smooth, tighten and contour your skin to give long-lasting, consistent results. FraxSure is the finest, non-invasive treatment available today.
